Detail-oriented **Financial Reporting Analyst** with a B. Com degree and completed ACCA qualification. Currently working part-time in financial reporting, where I apply analytical skills and business acumen to drive data-driven decision-making. Through hands-on projects, experimentation with generative AI, and continuous learning on platforms like W3Schools and freeCodeCamp, I have developed varied levels of proficiency in Python, Microsoft Excel, Git, SQL, HTML, and CSS, enabling effective analysis, problem-solving, and development.

Experience

2021 – PRESENT

Financial Reporting Analyst | Diwali Investments LLC | Fort Lee, New Jersey

Collaborated with a US investment firm to create cash flow summaries in Excel. Compiled and organized bank statements from the company, exported to Microsoft Excel, cleaned the data, and extracted relevant financial information for reporting purposes. Developed user-friendly dashboards for quick access to monthly financial insights. Communicated effectively to deliver timely, accurate reports.
